

Introducing the **SPIN MASTER**

The Ultimate Steering Wheel Spinner Knob

FEATURING:

- ✦ Unique, safe and reliable release mechanism
- ✦ Quick release - remove and refitted by the touch of a button
- ✦ Easy, simple installation
- ✦ Fitted with two quality free-running ball racers
- ✦ Special leather grain etching to knob section to match your vehicles decor
- ✦ Super clamping jaws, won't move once fitted
- ✦ Won't damage your vehicle's steering wheel
- ✦ Strong, robust construction
- ✦ Quality injection moulded glass filled durable nylon components. The same material used by mining companies for heavy duty applications.

WHY?
Because it's
the **BEST!**

Available finishes:
